MUSIC + PLANNING

YOUR MUSIC.

Expertly mixed.

Great equipment matters, but it is there to support the celebration. Our focus is music that feels personal to you, mixed live and shaped around the room.

01 MUSIC PREFERENCES, RESPECTED

Share must-plays, favourites, genres and anything you absolutely do not want to hear.

02 LIVE MIXING + READING THE ROOM

We are proven DJs who mix everything live, building energy in real time and reading the room rather than relying on a fixed playlist.

03 GUEST REQUESTS, HANDLED WITH JUDGEMENT

Requests are welcome when they complement your agreed music preferences and the atmosphere in the room.

04 KEY MOMENTS PREPARED

First dance, cake cutting, entrances and other agreed tracks are prepared before the day.

05 BROAD MUSIC EXPERIENCE

From timeless favourites, singalongs and 80s and 90s classics to Ibiza-style house, dance, indie, R&B and current music.
